Dear Friends at Hope Presbyterian,

As we celebrate our graduating class of 2015, we are especially thankful for your support this year. Your gift of \$600.00 for capital equipment for our new Student Center will be put to good use for the benefit of our students. It is only because of people like you that we are able to continue preparing young people as Christian leaders.

The students of this year's graduating class have been accepted into many colleges and universities in the United States and beyond. We are so proud of our students and their tremendous accomplishments. Just recently we learned that Sua Kim has been accepted to the University of Texas at Austin, and Emilio Vazquez has been accepted to Texas A&M at College Station. We join them and their families in South Korea and Mexico in being very excited about this great news. Their acceptance onto the highly competitive main campuses of our state universities confirms that we are preparing our students for excellence in academic studies.

In April, our students enjoyed a faith-building and community-building weekend during the annual Celebration weekend. Student leaders such as Magdiel Alaniz, Manoach Bizumuremyi, Monika Ruiz, and Sua Kim did an outstanding job planning and leading this year's event. Each student leader shared their faith and helped other students to delve deeper into their own faith journeys by leading faith-based activities. Our curriculum prepares our students for life after Pan American with a rigorous academic education balanced with intentional time to develop a deeper relationship with Jesus Christ and with each other.

The entire Pan Am community joins me in being grateful for your thoughtful gift. Please know how much we are blessed by your prayers and generosity. Thank you again for supporting the hopes and dreams of our students.

Sincerely,

Dr. Doug Dalglish, President
