Dear Rev. Robinson,

When you think of going back to school for a new year, do you think of the excitement of getting new clothing to wear? Do you remember the smell of newly sharpened pencils? Do you recall the thrill of choosing out a new backpack to carry all of your belongings in?

For some children, this time of year is not one of excitement, but one of fear. Their families may not have the financial means to purchase new clothing or they may not even have clothing that fits properly. They do not have the necessary materials and supplies that allow them to thrive in class or feel equal to their peers.

By supporting the Manos de Cristo Back-to-School program, you have helped change their experience to a positive one and have created happy memories of school. With your recent gift of \$69.06, you have ensured that a child will be off to a great start this school year! We thank you for supporting our mission and being a friend to those in need.

Sincerely,

Julie Ballesteros
Executive Director
