#### We Are Starry Eyed

Sometimes we think we have to pick one, when in reality it is always both. Light and dark, hope and fear, kindness and risk, wonder and mundane.

This is evidenced by the fact that we are people who are meant to live by both sunlight and moonlight. Our natural rhythms revolve around the circling of sun and moon. Yet often our tendency is to cling to one, the one that is more comfortable, forgetting that our fullest living comes when we embrace the swirly mix.

Starry Eyed means looking for the light even when darkness is enveloping. It is an opportunity to hope recklessly and to witness God's presence guiding things seen and unseen, comfortable and uncomfortable.

**Because We Are the Starry Eyed. And Starry Eyed means...**

**WONDER, HOPE and KINDNESS**
